Dear LHS Freshman and parents/guardians:

Llano High School proudly welcomes all incoming freshman on **Friday, August 9** for LHS Fish Camp 2019. The members of the Class of 2023 will not only meet staff and student leaders, but will also get an overview of campus life. Fish Camp begins with a short welcome rally, followed by sessions that include a tour of the campus, an overview of student organizations, checking out Chromebooks (with purchase of \$20 insurance policy or free/reduced lunch paperwork completion) and students will also receive their schedules. (Schedules for freshmen students *will not* be mailed home.) The importance of high expectations, attendance, and earning credits will be emphasized throughout the afternoon.

Fish Camp will begin with registration at 12:45 in the gym foyer with Fish Camp activities beginning at 1:00 pm. There will be a 15 minute rotation for each group to enjoy refreshments in the gym foyer with cookies and drinks. The event will end at 3:30 p.m.; however, students wanting to walk their schedule can do so from 3:30 - 4:00. The bus will be leaving for Packsaddle at 4:00 pm. Chromebooks will be checked out beginning at 3:10 pm, (remember, you must bring \$20 for the insurance policy or fill out the appropriate paperwork before you will receive it). *Parents are invited to attend a meeting from 12:00 - 1:00 pm. During this time we will be covering Personal Graduation Plans, online registration, and free/reduced lunch options with cafeteria personnel.*

Transportation will be provided for incoming 9<sup>th</sup> graders who live in the Kingsland area. Students will board a school bus that will depart at 12:15 pm from Packsaddle Elementary School to travel to Fish Camp at LHS and will return to Packsaddle Elementary around 4:30.

For questions regarding Fish Camp, please contact Courtney Edwards, 9<sup>th</sup>/11<sup>th</sup> grade counselor, at 325.248.2311 or by email at [cedwards@llanoisd.org](mailto:cedwards@llanoisd.org).

Sincerely,

Courtney Edwards  
LHS Counselor
