- **PLEASE DO NOT GIVE SEMESTER EXAMS EARLY!!** Any student requesting an alternate exam schedule should be referred to the front office.
- Please design a test that will use the entire period to take and/or to take/correct.
- Do not allow students to leave the room during the test except in emergency situations. This helps to avoid distractions in other teachers' classrooms.
- If a student has to take a test, they must be there for the entire class period. Please do not dismiss students early, even if they are done testing for the day.
- On the last day of finals, students who do not need to makeup/retest/correct a final exam are free to leave campus at 11:10.
